NARRATIVE:

Akim Gilmore is an active gang member with an extensive adult criminal history that began at the age of 19. His convictions include assault, multiple cases of possession of firearm by a felon, multiple cases of terrorist threats, multiple cases of carrying a concealed weapon, illegal possession of ammunition, possession of marijuana for sale, possession of narcotic controlled substances, knife weapons violation, and failing to report. He has served multiple incarcerations, the longest being a 2 year term for assault. Gilmore was released from state prison to the supervision of the Los Angeles County Probation Department on March 13, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2014 after he absconded from post release community supervision (PRCS). Gilmore qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for assault is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
